**Ira Town School District
Poultney Town School District
Wells Town School District**

Entrance Age

Code # F-104

Policy: It is the policy of the Rutland Southwest Supervisory Union and its member districts that the entrance age at which students may enter kindergarten will follow the procedures developed at each elementary school.

Wells:

The Wells Village School District recognizes that a child's entry into kindergarten is one of the most important educational experiences of his or her lifetime. Children who are fully five when they enter kindergarten are more likely to be physically, emotionally, socially, and intellectually ready for that important full day of school experience.

Ira:

The Ira school district does not operate an elementary school.
